Arab Women in Computing
2019 Conference

Tutorial Submission

TITLE
Title of the tutorial to be used in conference proceedings.

SUBMITTER(s)
Names, Title, Organization and contact information for the submitter(s) and those who will lead this session.

TRACK
Indicate which area this tutorial/workshop is most aligned with:
- Research
- Industry, Technology and Applications
- Entrepreneurship
- Women in Tech, Career and Leadership

ABSTRACT
Brief description of tutorial limited to 400 characters. The session may be presented in the form of a workshop. If accepted, the abstract will be used in conference publications.

AUDIENCE
Who should attend the tutorial/workshop? Describe the target audience.
- For a technical subject, indicate if this is Beginner, Intermediate or Advanced level.
- For a career related material, indicate if it is for academic, industry or entrepreneurial audiences and whether it is aimed at early, mid or senior levels.

PRESENTERS/FACILITATORS
A brief description of each person's background, including expertise related to the topic and views of the issues. Describe why they would give an excellent tutorial or workshop. Provide any supporting materials such as a web page, testimonials, or a video snippet of your presentation.

DESCRIPTION
Provide any additional information to help answer the following questions:
- How is the subject relevant to the conference?
- Are the objectives clear and well-described?
- Will attendees be interested in this topic, why?
- Is the tutorial/workshop well-organized and does it flow logically?
- Is the methodology appropriate? (if relevant)
- Are the analyses appropriate? (if relevant).
- Does the evidence support the authors' arguments? (if relevant).
- Does this submission focus purely on the material, or is it a recruiting, promotional or product pitch?
- Have you delivered this tutorial/workshop before?
- What size audience is appropriate? Can this tutorial/workshop be scaled to accommodate many attendees? No limits will be allowed.

OBJECTIVES/CONCLUSION
What do you expect to accomplish? What are the takeaways for the attendees?

PARTICIPATION STATEMENT
A statement that the presenters/facilitators have made a commitment to attend the conference and present the tutorial or workshop if the submission is accepted.

REFERENCES/BIBLIOGRAPHY
Provide information for reviewers to understand background and related work.

ArabWIC goal is to support, inspire and elevate the impact of Arab women in computing
